### **President's Message**

Hello Everyone,

June is a busy month for activities. Check the web site for all upcoming events.

I want to thank everyone who helped with the VA garden. It was a great turnout -- about 20. I am sure Kathy will include pictures. Matt thanked us all. They had their wheelchair race event that weekend. We raked leaves, power washed all the chairs, spread mulch and rock, and planted a lot of flowers in pots and beds. We also distributed new military flags and spinners.

It has come to my attention that if someone signs up for a luncheon and does not attend, some restaurants charge if all do not attend due to staff and food preparation. To avoid this, please make sure to notify the sponsor of the lunch if you are unable to attend.

I want to wish everyone who has been ill or has surgery my best wishes and prayers for a speedy recovery.

Looking forward to seeing everyone at the June 3<sup>rd</sup> meeting. Be sure to sign in and get your 50/50 tickets.

As always, we, your board, are open to suggestions and ideas to make our club more fun and better.

You can text me at 314-799-2749.

Your President,  
John Jordan

PS: REMEMBER IF YOU HAVE A COMMITTEE REPORT OR COMMENTS LET ME KNOW  
BEFORE THE MEETING SO WE CAN ADD IT TO THE AGENDA.

### **Meeting Minutes**

The St. Louis Corvette Club met at ELCO Chevrolet in Ballwin, MO on May 6, 2025. President John Jordan called the meeting to order at 7:00 p.m.

John led us with the Pledge of Allegiance.

President: John Jordan	Vice President: Don Pickles
Membership: Brian Walsh	Treasurer: Anne Pickles
Secretary: June Walsh	Sergeant at Arms: Dennis Trost
Immediate past president: Karen Price	Sponsor: ELCO Chevrolet Mark Gerecke and Eric DeBruin

John went over the following information:

- He thanked everyone for attending tonight. He reminded everyone of the 50/50 tickets, event sign-up sheets, and retiree lunch sign-up.
- John thanked Kathy Mueller for the great newsletter and Steve Kirby for the outstanding website.
- Ken Payne made a motion to accept the April 2025 secretary minutes. Chris Woods seconded it. The motion passed.
- Treasurer's Report: Ken Payne noticed an error on the Treasurer's report and Anne made the correction. Ken Payne made a motion to accept the March Treasurer's Report. Terry Mueller seconded it. The motion passed.
- John thanked Mark Gerecke for the facility and pizza.
- Brian Walsh, Membership Officer, gave the membership report. No new members and no one left since April.
- Regular Members: 101
- Lifetime Members: 6
- Associate Members: 12
- Total Members: 119
- Sponsors 4
- Brian received four new applications.
- There are currently 12 on our waiting list. Four individuals and eight couples.
- Barry Seelig made a motion to approve the membership report. Jim Panter seconded it. The motion passed.
- Sponsor Report: Mark Gerecke – Mark let the club know that ELCO has deals on six C8 factory ground effect kits for club members. He also has six sets of Stingray grill screens that he will discount for members.
- Things are slow on the Corvette side. He has a couple of Z06s coming in. He has a used 2023 dark red and a 2022 black convertible Stingray on the floor.

## **Committee Reports**

**St. Jude Report:** Ruth Howard updated on auction. We made \$209 for St. Jude. Texas Roadhouse raised \$206 On April 6<sup>th</sup>. We will know about tonight's Texas Roadhouse amount in about two weeks. Quilt tickets are also available for purchase still. Also, a round of applause to ELCO who donated \$2500 to St. Jude's!

**Chicken Run:** Jeff Stieren talked about the chicken run down to Giant City State Park. It is a fun day. Event is June 21, 2025. Currently we have twelve to thirteen couples going. Sign up or let Jeff know if you want to go.

**4<sup>th</sup> of July Parade:** Don Pickles talked about the Webster Groves parade on July 4<sup>th</sup>. Everybody can attend. There's a sign-up sheet in the back. Please let us know if you are doing the parade or just going to the Price's afterwards or both and what dish you will bring. We decorate the cars with red, white and blue and we put flags on the car. We put American flags or if you were in the service, you can order that flag from Rick Friedrich and display it on your car.

**World Wide Technology Raceway:** Jim Panter is heading this event for us. This is the Bommarito 500 race. They have a Corvette Coral where we park our cars for free and get grandstand seating. Jim will give us updates as this gets solidified. The event is set for June 11<sup>th</sup>.

**Car Show:** Dana Griggs said the car show went well. We had about 23 corvettes, and a bunch of Cadillacs for a total of about 45 cars. We collected a little less than \$600 which will go to Circle of Concern down in Eureka. Thanks to all who participated.

**VA Garden:** President John Jordan reported that the VA had sent a letter to the National Corvette Museum about how Marty and Judy Dooley have taken care of the garden for twenty years. Karen Price reported that the wheelchair races are this Saturday so we are meeting Thursday at noon behind building 52 to plant and afterwards, we will go to Café Telegraph to eat. There are no further restrictions to getting in. Watering sign-up sheets are in the back so that once we get the flowers planted, we can keep it looking good. It takes about 30 minutes to water, so please sign up if you can help. This has been a great tradition for a long time.

**Vice President's Report:** Don Pickles reviewed past events and future events. They

## **Committee Reports & Sponsor Reports**

### **NCM Ambassadors Report**

As a participating Blue Star Museum in 2025, the National Corvette Museum is offering FREE General admission to active-duty U.S. military personnel and up to five family members from Armed Forces Day through Labor Day. Valid military ID is required at entry. And this November the NCM will extend the FREE General admission to all U.S. military veterans for the entire month with proof of service. Ambassadors and members already enjoy free admission. Your voice helps extend this opportunity to those who may not know about this yet.

Let's ensure the legacy of America's Sports Car is shared with those who have dedicated themselves to service.

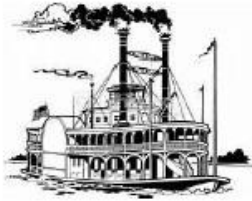

The NCM is proud to announce that Bryce Burklow has been named the President and CEO of the National Corvette Museum effective immediately. Bryce is a 15-year veteran of the NCM with experience in events, facilities, and most recently as interim COO. His longstanding commitment to the Corvette community and passion for the NCM mission makes him the perfect leader to guide the NCM into the next chapter.

The former President of the National Corvette Museum quit with no reason.

## **Bloomington Gold Corvettes Announces New Venue for June 2025 Event**

**Bloomington, IL** –Bloomington Gold Corvette's June 2025 Event will be held at World Wide Technology Raceway in Madison, IL. Scheduled for June 5-7, the Show will offer the components traditional to the June event as well as some new ones.

In addition to Gold Standard Judging, the Gold Collection, Corvette vendors and seminars, Bloomington Gold will also offer opportunities for Corvette owners to drive their Corvettes on the racetrack as well as on site Kart racing.

"Bloomington Gold recognizes that late model Corvette owners want to get out and drive their Corvettes. When offered the opportunity to partner with WWTR to host the Show, we thought this would be a great time to tie in new activities to attract a wider range of Corvette owner interests," says Guy Larsen, Bloomington Gold President. "Over the years", he continues, "Bloomington Gold started to get the reputation of being a show only for early generation Corvettes. This is not true, and we hope by adding activities where owners can drive their Corvettes on a racetrack, we can re-introduce Bloomington Gold to these owners."

World Wide Technology Raceway is in Southern Illinois, five minutes from downtown St. Louis and the Arch. The raceway's 1.25 mile oval track hosts the NASCAR Cup Series, NASCAR Xfinity Series, and the NTT IndyCar Series as well as a number of races on their road course and drag strip. In addition, there is a state-of-the-art Kartplex which boasts an 11-turn course for Kart drivers to tackle. Both the oval track and the Kartplex will be a part of the 2025 Show.

Bloomington Gold Corvettes is the longest running Corvette Show in the country and is known for their Gold Standard judging of a Corvette's authenticity as well as an annual themed collection of elite Corvettes, known as The Gold Collection. The 2025 Show will run June 5-7<sup>th</sup>. For more information on the Show, see [BloomingtonGold.com](http://BloomingtonGold.com).

The 2025 Michelin NCM Bash  
Organized by Mike Kunst  
Article and Photos by Mike Kunst

The Michelin NCM Bash is chock full of information if you hang out at the conference center for the various presentations. If you are interested in track activities, the Motor Sports Park offers many activities to enjoy. There is a technical class offered by Paul Koerner, a world class GM technician. How about some interesting road trips? There are several road trips which you can choose. My interests are in the presentations in the conference center which is where you will find me anytime there is an interesting session, which is pretty much all of them.

One very interesting display is the cutaway cars the Corvette Team brings to the Bash. Everyone who wants to know how our Corvettes are designed will appreciate these cutaway Corvettes! Here are some photos of the ZR1 that don't do it justice. It is much more fun to see it in front of you.

Another treat out on the display area was the GT3.R Corvette. These start just like every other Corvette at Bowling Green Assembly. Did you know that every C8, no matter which model, has the exact same body frame? They take a frame right out of the body shop and ship it to Pratt Miller. They build the GT3.R on the frame. Of course, the body panels are highly modified for racing. How much does it cost you ask? There is no published price and you must be a racing team to buy one, but it is generally known that the price is \$700K plus. Here is the example we were able to see at the Bash.

I have some more content to pass along from the Bash in the July newsletter!

St. Jude Corvette Drive  
Submitted by Ruth Howard

Another amazing 2025 St. Jude Drive in the books, and the 14<sup>th</sup> annual drive did not disappoint! We had 111 Corvettes participating this year. We are proud to say that with the help of our awesome St. Louis Satellite group we raised \$52,666. This amount of money will help cover the costs of two major surgeries.

To quote Danny Thomas "I'd rather have a million people give me a dollar than one person give me a million. That way you've got a million people involved.

Special thanks to our participants Bev & Jim Givens, Laurie & Mike Grubb, Tom & Sherri Marlo, Judy & Mike McElhone and Tracy & Jeff Stieren. This year our support vehicle (truck) was driven by Bev Givens with Jim as her copilot. You did an awesome job driving Bev and Jim was a great tailgate snack/drink guy! Thank you all for your outstanding fundraising efforts.

Thursday evening, we enjoyed a fabulous fried fish dinner put together by Mayor Holden and his staff. After dinner we had the opportunity to listen to three families speak of their St. Jude experience. Two wonderful survivor stories and one very sad story of a mother speaking of their daughter that did not survive. Although these stories have happy and sad endings, it confirms why we drive.

We also had the awesome opportunity to hear from Dr. Beth Stewart who is one of the top researchers at St. Jude. Her job involves 50% in research and the other 50% as a hands-on physician. We usually hear from her on Friday while we are at St. Jude, but she had a commitment in St. Louis on Friday. She spoke of their dedicated efforts to cure childhood cancer. She also spoke about a child that had a very serious diagnosis, but with the help of St. Jude he's living his life to the fullest.

As always, one of the most touching parts was our drive thru the St. Jude campus. Seeing those streets lined with employees, doctors, nurses, researchers and this year more patients were able to be out to cheer us on. To see them holding signs that say "Thank You St. Jude Drivers" brings immediate tears to your eyes. No, we thank you for all you do!

We had a great BBQ lunch in the Domino's center followed by a speaker from the St. Jude interpreter's department. Interpreters are needed as they have children from all over the world for medical treatment.

Then it was time for the presentation of the check. Drum roll please.....The grand total raised was \$548,000! That is \$38,000 more than last year. This brings the 14<sup>th</sup> annual drive total donations to \$3.2 million. When they held up that check it was very emotional! Raising money for sick children and their families with a car we enjoy owning is simply amazing! After the presentation we broke up into groups and took tours around the campus.

It was interesting to talk to our first time drivers. Everyone was touched to see this first-class event in motion. Nothing but wonderful comments.

Thank you STLCC members for supporting this event. We can't thank you enough for participating in our fundraising events and supporting drivers with donations. **YOU**

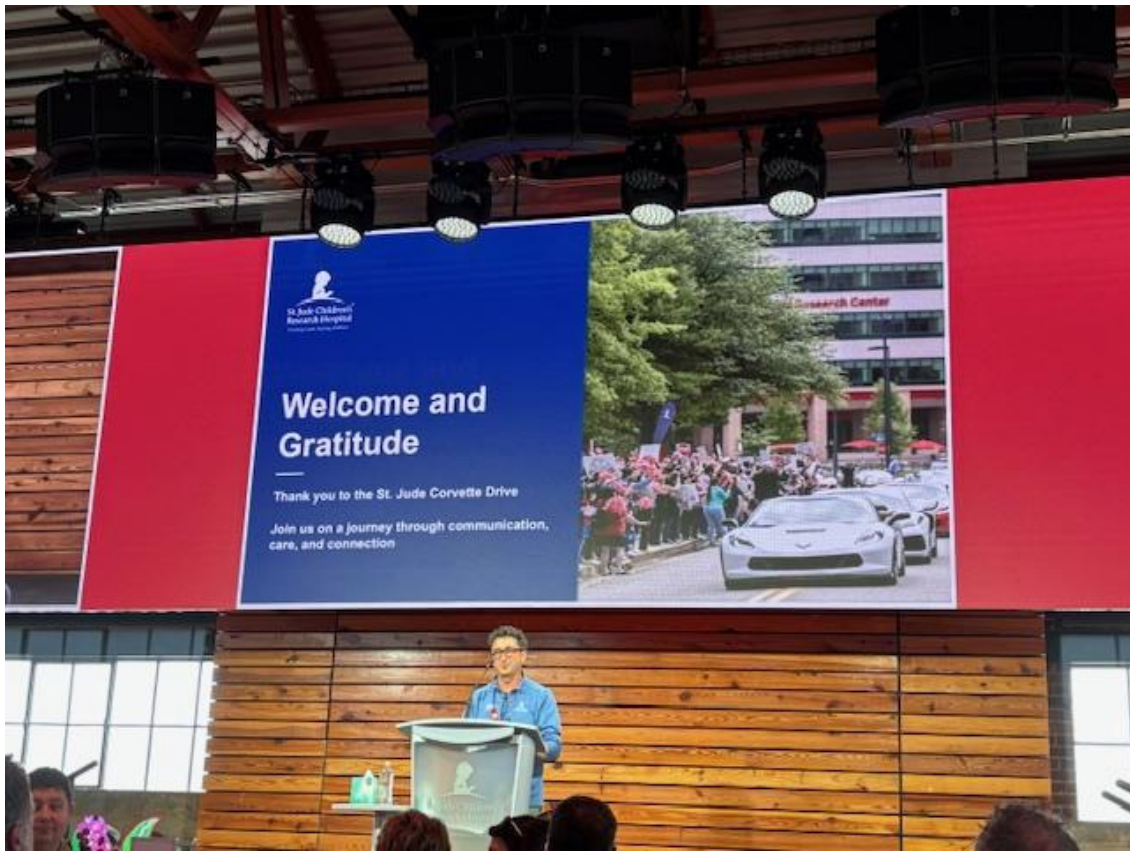

helped us raise this amazing amount of money! Special thanks to ELCO Chevrolet/Cadillac for supporting this event for the 8<sup>th</sup> year!

To the lovely ladies that made the quilt and checkerboard/chessboard Chris, June, Karen, Kathy, Kim, Maggie, and Vickie, we thank you. Total sales reached \$600, and the winner of the quilt was Chris Woods. The winner of the checkerboard/chessboard was Karen Lutes from Bonne Terre, MO.

Mark your calendars for May 14 – 15, 2026 if you are interested in joining us for the 15<sup>th</sup> annual St. Jude Drive. Please contact Ruth or Randy.

Sincerely,  
Randy & Ruth Howard

The St. Louis Corvette Club

Historical Society Column

By Ron Hagenow

History Committee: Ron Hagenow, Marty Dooley, and Mike Price

This month we would like to recognize those members who joined during the month of June. Mary Ann and I are celebrating our 20<sup>th</sup> anniversary with the club. We joined in June 2005. Also joining us with June anniversaries are Associate members John and Cherie Hopson (15 years) and Associate members Bob and Patti Kusky (12 years). Regular members Dale and Valerie Zeisset join the list with their 10-year anniversary this month.

In a somewhat interesting coincidence, Gary Murray and I worked in offices right next to each other for many years. I was transferred to Huntsville, AL for several years and while there I purchased our first Corvette. When we were moving back to the St. Louis area, I just looked for Corvette clubs in St. Louis and found the St. Louis Corvette Club. I went to a car show they were having and who was one of the first people I met but Gary Murray! And in another coincidence, I happened to end up working in the same building with Jan Murray. It really is a small world.

In June 2005, Marty Dooley was club president, and Rick Frierdich was vice president. There were 36 members in the club, and we met at Hessler's Pub on Tesson Ferry Rd. This month there was a road trip to the National Corvette Museum, car shows with Boone Trail Corvette Club and Route 66 Corvette Club as well as an ice cream run.

June 2010 when John and Cherie joined, Randy Howard was president and Ruth Howard was membership officer. There were 96 members and we met at the Sunset Lakes Golf and Banquet Center. This month we had several members participate in the Susan G. Komen Cancer Walk as well as a road trip to Sal's restaurant in Wartburg, IL and a car show at ELCO.

June 2013, when Bob and Patti joined the club, Ruth Howard was our club president and Rick Doerr was watching our pennies as treasurer. We met at the Pasta House on

Manchester and had 79 members. This month we had a run to Ariston's Café in Litchfield, IL using old Route 66, a club picnic in Bee Tree Park, a night at the races at Fairmont Park and a Drive Your Corvette to Work (or not) event at Mimi's Café in Chesterfield.

In June 2015 when Dale and Valerie joined, Mike Price was president and Erin Duke was secretary. We met at Grand Slam Sports Bar in Fenton and had 86 members in the club. Events this month were a run to Joplin, MO, Chula Vista Road Tour in WI, the Great Race that was going through Kirkwood, club luau, Drive Your Corvette to Work at Mimi's Café and another outing to Fairmont Park. We ended the month with our regularly scheduled visit to Fritz's Frozen Custard.

Here are a few June pictures:

From our car show in June 2005, Jan and Gary Murray pose with the late Roger Ruengert.

And from the same car show, some club members checking out Roger Ruengert's car. Yes, Robert and Vicki, he liked yellow also!

Judy and Mary Ann participated in the Komen Walk in June 2010.

Several cars from the car show in June 2010.

Hopefully lucky winners at Fairmont Park in June 2013.

From the club luau in 2015, we had a great time thanks to Mike and Laurie Grubb.
