V.A. Garden Fall Clean-up

Our Corvette Club has helped maintain a garden area behind building 52 at the J.B. Veterans Hospital for the past 20 years. The idea for this came from a friend in our club as a way of giving back. That idea evolved into making a garden area behind the spinal cord injury rehab (bldg. 52). Every year we have club members show their support of our Veterans by cleaning up the garden area and planting new flowers and plants. Doing this work gives the patients and staff a chance to get out of the hospital for a while and relax. Now comes the time to do a Fall Clean-up which will help our efforts in Spring.

For those club members with a couple of hours that want to help our Veterans, we plan to meet at front of building 52, V. A. Hospital on Koch Road at 9 a.m. on Monday Nov. 16th and like any of our club events, we will be going to eat after our volunteer work. Please bring work gloves and any hand tools.
