President's Message

Looking ahead: Spring is here and a lot of fun activities are coming up: car shows, car runs, retiree lunches, ice cream nights, Sangria Sunsets, etc. Please look at the club web site: <https://www.stlcorvettes.net> to view the club calendar of events.

The month of April was full of activities e.g., Bunco at the Prices, retirees' luncheon hosted by the McElhones, Coffee and Corvettes hosted by the Givens, Fritz's ice cream hosted by the Paynes, and Sangria Sunsets hosted by the Givens. Karen Price did a great job setting up the VA garden clean up. Many showed up and worked very hard to make sure the garden was looking good for the patients. Thanks to Mike Kunst for organizing the trip to the NCM bash in Bowling Green, KY. Those that attended had a great time and some took a tour of the Corvette plant, very interesting. We also saw the new Grand Sport that is to be available later this year. The St. Jude Drive is coming up and those that are participating are anxious for the event. It is a very worthy cause.

Don't forget to bring any plastic bottle caps to the meeting. Val is still collecting these for the Vets at JB Hospital.

I hope this message finds you well and I look forward to seeing you at the May 5th meeting. Be sure to sign in and get your 50/50 tickets and take a look at the event sign-up sheets.

Thank you for your ongoing commitment and engagement. Your participation in events and meetings is essential to sustaining the club's success.

Enjoy the ride,

C.W. Riehlman

Meeting Minutes

The St. Louis Corvette Club met at ELCO Chevrolet in Ballwin, Missouri on April 7, 2026. The meeting was called to order at 7:00 p.m. by Vice President Randy Howard and he led us with an opening prayer and the Pledge of Allegiance.

Club Officers in attendance were introduced:

Vice President filling in for President CW, Randy Howard

Membership Officer, Judy McElhone

Treasurer, Mike McElhone

Secretary, Chris Woods

Sergeant At Arms, John Midkiff

Immediate Past President, John Jordan

Sponsor: ELCO Chevrolet, Mark & Kim Gereke

Vice President Randy Howard went over the following important housekeeping information:

1. It's important that you don't show up until 6:30 pm.
2. Make sure you bring your lawn chairs.
3. When you are eating pizza or cake, please use a plate as most of the cleaning has already been done for the night. Guess who gets to clean up when everyone leaves – Mark & myself, so we appreciate it.

Vice President Randy Howard also went over the following information:

1. He thanked everyone for attending tonight, and thanked Mark Gereke and ELCO for providing pizza and a meeting location.
2. He thanked Kathy Mueller for a great newsletter.
3. He reminded everyone of the 50/50 tickets and various event sign-up sheets.
4. He thanked everyone who has been donating toiletry supplies for our veterans which are being collected by John Midliff.

March Membership Meeting Minutes: A motion was made by Ken Payne to accept the March 3, 2026 Membership Meeting Minutes, seconded by Rick Doerr, motion carried.

Treasurer: Mike McElhone presented the March Treasurer Report as distributed. A motion was made to accept the March Treasurer's Report by Ruth Howard, seconded by Pam Queen, motion carried.

Secretary: Chris Woods read a thank you card from Kathy Kilburn thanking the club for all the thoughts, prayers, cards & gift.

Membership Officer: Judy McElhone gave the membership report. She read the names of members celebrating birthdays and anniversaries in April.

Current Membership totals are as follows:

- Regular Members = 100
- Lifetime Members = 7
- Emeritus Members = 2
- Associate Members = 11
- Members on Waiting List = 22
- Total Members = 120

Ken Payne made a motion to accept the membership report, seconded by Barry Seelig, motion carried.

Sick Members:

Judy Dooley – Ruth Howard shared with the membership that her shoulder is healing well, however she did have a fall and broke her tail bone and is resting and doing therapy. Judy thanks everyone for the cards and prayers she has received.

Sonja Giffhorn – Karen Price read a text from Sonja asking her to thank everyone for the cards, prayers, and gift card from the club. She had hernia repair surgery which was far more serious than what she had thought. Everything turned out normal and she is on a very long road to recovery.

Kathy Kilburn – Had a knee replacement and is on the road to recovery.

Kim Marre' – Is now out of the hospital and is doing much better.

Keep all our sick members in your prayers for a quick and healthy recovery.

COMMITTEE REPORTS:

Newsletter (Kathy Mueller) – No report.

Budget (Mike Kunst, Don Pickles, Rick Doerr) – No report.

Bylaws (Mike Kunst, Mike Price and Valerie Zeisset) – No report.

Charity (Michelle Finn, Judy McElhone) – No report.

VA Garden (Karen Price) – VA Garden cleanup is scheduled for Friday, April 17 at 10:00 a.m. behind building 52 at Jefferson Barracks.

Parade (Michelle Paillou, Mike Price) – on target for July 4th parade and there will be a sign-up sheet next month.

National Corvette Museum Ambassador's (Marty & Judy Dooley) - Mike Kunst reported that a group will be going down to the bash and there are road trips and tours they will be doing. The Banquet on Thursday night is sold out.

Ruth Howard reported that due to Marty & Judy Dooley not being able to attend the bash, Marty will be giving a prize to the attendee who finds the most areas of their name listed at the Museum which has been placed throughout the museum over the years.

History (Marty Dooley, Mike Price, Ron Hagenow) – No report.

Website (Steve Kirby) – No report.

Christmas Party (Ruth Howard, Val Zeisset) – No report.

Sponsor Report (Mark Gereke) – Chevrolet will be stopping production of the '26 E-Ray at the end of May. The Grand Sport and Grand Sport X will be replacing the E-Ray.

Mentoring Program Report (Michelle Finn) – On target.

Vice President's Report – Randy Howard reviewed past events and future events as follows:

Past Events:

1. March 3 – Monthly Membership Meeting at ELCO.

2. March 13-23 – Texas Trip (sponsored by Ken & Barbie Payne). The trip was wonderful and was enjoyed by all.
3. March 18 – Retiree Lunch at Ethyl's (sponsored by Barry Seelig). Excellent food and company.
4. March 20 – St. Judes Mouse Races (sponsored by Jim & Bev Givens) – Jim Givens gave an update on the success of the mouse races. It was a great time, and the new place (Andre's in Fenton) was so much better due to the fact that it had high ceilings and a bigger area for the tables and gift baskets. There were 215 paid customers which was awesome. We had 44 gift baskets donated. The 50/50 was done by Mike Price and Jeff Stierens and they sold \$2,200 in tickets. The winner of the Bourbon was won by Randy Rickerman. Overall, we raised \$9,100.00 and next year we are going to be at the same place, Andre's in Fenton and it is going to be on March 19, 2027. Mark your calendars and plan to attend and have a great time. We appreciate everything you have done for us. Ruth Howard gave a quick story that when she was in Ireland in March, she met a lady from Erie, Pennsylvania who was interested in the St. Jude Run and made a donation in the amount of \$2,500. Last year we hit \$43,000.
5. March 28 – Bunco (sponsored by Rhonda Simorka and Patrick & Jenni Belding). Everyone had a good time, plenty of food & fun.
6. March 29 – Fritz's Social (sponsored by Ken & Barbie Payne).

Future Events:

1. April 11 – Bunco (sponsored by Mike & Karen Price)
2. April 17 – VA Garden clean up (sponsored by Mike & Karen Price)
3. April 18 – Coffee & Corvettes and Mystery Run (sponsored by Jim & Bev Givens and Jeff & Tracy Stieren)
4. April 23 – Sangria Sunsets (sponsored by Jim & Bev Givens)
5. April 23-25 – Michelin National Corvette Museum Bash (Mike Kunst)
6. April 26 – Fritz's Social (sponsored by Ken & Barbie Payne)
7. May 5 – Monthly Membership Meeting at ELCO
8. May 3 – Corvette & Car Show (sponsored by Dana & Diana Griggs)

9. May 14 – St. Jude’s Corvette Drive (sponsored by Ruth & Randy Howard and Jim & Bev Givens)
10. May 20 – Retiree Lunch (sponsored by Dennis & Janet Trost) – The Acorns Bar & Grill, Waterloo, Illinois.

REMEMBER TO CHECK THE WEBSITE FOR ALL EVENTS

New Business:

Randy Howard distributed the monthly St Louis Corvette Club Trivia Form to several members. Michelle Paillou was the Trivia winner.

Thanks to ELCO for providing our meeting place as well as pizza.

Thanks to Jeff & Tracy Stieren for providing the cupcakes.

The 50/50 was won by Clarke Thomas in the amount of \$58.

There were 60 members in attendance.

Vice President Randy Howard asked for a motion to adjourn the meeting. Michelle Paillou moved to adjourn the meeting, seconded by Barry Seelig, motion carried.

The next meeting will be at 7:00 p.m. on May 5, 2026 at ELCO.

PLEASE REMEMBER TO BRING YOUR CHAIRS TO THE MEETING

Respectfully submitted,

Chris Woods, Secretary

On May 14th & 15th, we'll be hitting the road for the 15th Annual St. Jude Corvette Drive. We're especially excited this year to welcome two new couples to the group—Robert & Vickie Hoogeveld and CW & Dee Rielhman. We're glad to have you join us and look forward to a fantastic drive together! Our other STLCC drivers are Jim & Bev Givens, Randy & Ruth Howard, and Mike & Judy McElhone. If you are interested in donating to their St. Jude Drive page, please contact them individually for that information.

The St. Louis Satellite team is made up of 13 members this year, with additional participants joining us from across Illinois and as far as Springfield, MO. We're excited to have such a strong and growing group coming together for this incredible cause.

Registration officially closed on March 20th, and we're excited to share that we have a record-breaking 141 cars registered in this year's drive! For comparison, last year we had 112 cars and raised an incredible \$548,000—so we're feeling very optimistic about surpassing that total this year.

Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to more than 80%.

St. Jude has helped push the childhood cancer survival rate from less than 20% when we opened to 80% today. We won't stop until no child dies from cancer. Our founder believed that "no child should die in the dawn of life," and we've spent more than half a century focusing on our mission: Finding cures. Saving children.

We hope and pray that you never have to walk through those doors with a child or grandchild. But if you ever do, know that you are in the very best place possible for care, hope, and a cure.

Thank you, STLCC members, for your incredible support of this amazing event. Please keep us in your thoughts and prayers as we head out on the road to Memphis.

We'll be sure to keep everyone updated and share the final figures at the June meeting.

The Great Texas Road Trip

Presented by Payne Travel Associates, LLC

Narrative by Mike Kunst

Photos contributed by Dawn & Steve Kirby, Mike Kunst, Barb Payne, and Clarke Thomas

Trip Overview

Payne Travel Associates has done it again! Everyone thoroughly enjoyed the Great Texas Road Trip. The group was a bit smaller than usual. There were 14 of us on days 3 through 6. Jerry and Pam Schmidt were visiting relatives in Houston and joined us on the evening of day 2 in Port Aransas. Steve and Dawn Kirby brought Aiden because he was on spring break, and an F-150 to accommodate all 3 of them. They went another way after our tour of San Antonio on day 7.

Day 1, Friday, March 13, 2026 – Mike Kunst Leader

We met at the Burger King at the intersection of Butler Hill Rd. and Interstate 55. It was about 477 miles to Texarkana, AR. There was some nice scenery along the way. We were able to catch a glimpse of the Clinton Library on the Arkansas River near downtown Little Rock. Thanks to Steve and Dawn for bringing up the rear of the caravan. Dawn was able to snap some nice photos of our Corvettes from her vantage point in the F-150.

Day 2, Saturday, March 14, 2026 – Ken and Barb Payne Leader

This is the most challenging drive day at 510 miles and trying our best to traverse the outskirts of Houston with construction. We arrived late and used the ferry to reach the northeastern end of Mustang Island where Port Aransas is.

Day 2 Texas highways

Day 2 LBJ Causeway sunset

Day 2 Sunset waiting for ferry

Day 3, Sunday, March 15, 2026

For some activities, we broke into two groups which I will dub the Main Group and the Kirby Group. There seemed to be a divergence of interests when a teenager is thrown into the mix. The main group rented golf carts for driving on the beach and around the downtown area of Port Aransas at times referred to as Port A. The Kirby Group headed out for the USS Lexington Museum (a WWII aircraft carrier). We had lunch at a beach side pub, and a shrimp boil on the beach for dinner.

The Main Group at the Beach.

After we picked up our golf carts, Ken and Barb needed some help with their Corvette running too hot. He enlisted our resident helicopter mechanic who has a steady hand and can pour coolant without a funnel!

We went to the store for some provisions.

The shrimp boil was outstanding, and they brought games too!

Day 4, Monday, March 16, 2026

Plans changed completely when a major front came through dropping the temperature with strong winds. The winds were creating large waves, and our dolphin excursion was cancelled. We opted out of horse riding on the beach too. With the day now open, we decided to go to the Texas State Aquarium in Corpus Christi, about a 40 minute drive.

Dinner at Trout Street Bar & Grill. Ken put us up to having a decadent dessert!

Tomorrow we are off to San Antonio! You will have to hold your breath and wait for the June newsletter!

VA Garden Cleanup and Planting

Sponsored by Karen and Mike Price

Photos by Terry Mueller and Karen Price

On Friday April 17th a crew of hand workers came to the VA Spinal Cord injury unit to clean up the patio area which we have maintained since 2020 as a very valuable service project to give back to those who have sacrificed for our freedom. We have a large number of Veterans in our club who also deserve our gratitude!

Armed with leaf rakes, John Jordan and Joyce Newberry tackled the accumulated leaves. Our president, CW along with Clarke, Ron, Terry and Mike Kunst, Mike Kirby and Mike Price assisted with trimming the bushes and leaf duty. Kathy and Arlene began to clean out the containers and began planting a

colorful assortment of flowers. Angie planted the herb garden and then came back to help Karen plant the vegetable garden which the Vets will tend and then use the produce in their cooking classes. Angie then went where no man or woman should go -- the shed. She cleaned out and organized it so we now can find tools etc. Armed with wheelbarrows, John Midkiff and the boys began unloading the mountain of mulch that was dumped behind the shed and spread it on all of the beds. Don Pickles single handedly mowed all of the areas, including the vegetable garden area!

All of the work done last fall to clean up the area definitely made this day a little easier.

Angie and I had the opportunity to talk with a Veteran who was rehabbing from Kansas. He was so impressed with everything and was willing to come out and pull weeds in the vegetable garden. He will be staying here for 3 months. He couldn't wait for his wife to return from shopping to show her what we had done. It was a humbling moment for sure. We enjoyed lunch at Fankie G's and then headed home for a Tylenol and Ibuprofen nightcap.

I can't thank all of the members who have and continue to support this service project and especially the hard working folks that came out on this day to transform this area

.

Now that we have planted the area, we need members to stop by and water, maybe pull a stray weed and talk with the Veterans who are appreciative of our efforts. Please let Karen know if you are able to donate your precious time.

On Friday May 15th, the area will be hosting the wheelchair races and Matt is worried that the ground crew (there is only one person for the entire complex) may not be able to get it in order for this event. I would like to get a group together on Thursday May 14th to make sure the area is ready. I will have a sign-up sheet for this event at the meeting.

I received a letter from the VA which I will include. We do make a difference!

Thanks to all of our Veterans and members who help make this mission of service a

possibility!

Karen Price

Dear St. Louis Corvette Club:

On behalf of the St. Louis HCS-Jefferson Barracks Division (657A0) patients and staff, we would like to extend our appreciation to you for hosting the annual cleanup and planting day for the SCI patio spaces. Provided dirt, flowers, and vegetable plants for patients to enjoy and eat.

It is through the efforts of community partners like you that allow us to continue the quality care and services that we seek to provide for our deserving Veterans. We look forward to the opportunity to work with you again for future events.

Thank you for your continued support and advocacy.

LS6 Small Block Engine

Stingray?

Article by Mike Kunst

New Models for 2027!

By now everyone has heard about and seen photos of the two new Corvette models for the 2027 Model Year. Maybe not everyone but most STLCC Members anyway. The two new models are the Grand Sport and the Grand Sport X. There are six models being offered in 2027: the Stingray, Grand Sport, Grand Sport X, Z06, ZR1, and ZR1 X. The E-Ray name plate is being retired with the 2026 MY. But wait, there is more!

Also being introduced is the new 6th generation small block engine, the LS6. The LS and LT series small blocks have always been associated with performance tuned engines for the Corvette. The 6 represents the 6th generation of small block engines. The LS6 will create 535 hp and 520 lb-ft of torque. This new engine will be the base engine for the 2027 Stingray as well. The LT2 engine is being retired for the 2027 Corvette lineup. All LS6 engines will be manufactured in Flint, Michigan. Goodbye Tonawanda, New York.

There had been little mention of the changes for the Stingray. Because of that, I believe some misinformation was generated based on assumptions. There is one engine, the LS6, for Stingray, Grand Sport, and Grand Sport X. There is one exhaust configuration for all three as well. It has a center mounted layout. No more corner mounted exhaust for Stingray! Here is a photo of a Z51 Stingray at the Bash.

There will be more content from the 2026 Michelin NCM Bash next month

The St. Louis Corvette Club Historical Society Column

By Ron Hagenow

History Committee: Ron Hagenow, Marty Dooley, and Mike Price

Here's hoping the crazy weather we've experienced these last few months is finally straightening out. Maybe we can get back to typical spring

weather. Running the furnace and A/C on the same day in March was crazy. And the April rain showers not only bring May flowers, but hopefully Vette weather as well.

Looking back at past May events, one of the best events we ever did was participate in the track opening day ceremonies for the 90th running of the Indy 500. This was on the first weekend in May, 2006. It was all through our friendship with Jim and Sharon Love who lived near Indianapolis. Chevrolet wanted 90 Corvettes to drive the track in honor of the 90th Indy 500. They contacted the National Corvette Museum who then contacted the Loves. Their club did not have enough cars so they contacted Carl and Sharon Ballinger of our club, who had previously met on the Historic Motorama. 17 of our cars got to participate in the opening. The only drawback was that it was a parade lap and we couldn't drive over 30 mph. After the lap, Chevrolet treated us all to lunch and we got to display our cars around the track.

All lined up waiting to start our parade lap for the Indy 500 opening day ceremony from May 2006.

And why does this guy always seem to be eating? This is from our car show in May 2013.
